Petition to Intervene of Johnson Development Associates, Inc.

Johnson Development Associates, Inc. ("JDA"), in accordance with SC Code of Laws § 58-41-20 and SC Code Regs. 103-825, submits this petition to intervene in the subject docketed proceeding. In support of this petition, JDA provides the following:

1. On May 30, 2019, the Public Service Commission of South Carolina ("Commission") opened Docket 2019-184-E in accordance with South Carolina's Energy Freedom Act ("The Act") and as applicable to Dominion Energy South Carolina, Inc. ("DSC").
2. The Commission has not yet established a procedural schedule for this application. As such, JDA's petition is timely filed.
3. JDA is a South Carolina Corporation, founded in 1986 and headquartered at 100 Dunbar Street, Spartanburg, South Carolina, 29306. JDA is a multi-division developer of industrial, multi-family, self-storage, renewable energy, and commercial projects.

4. JDA has a direct and substantial interest in the outcome of this proceeding, and will be directly affected by the discussion and resolution of the topics covered therein. JDA's position and market presence relates directly to the details of this proceeding concerning DSC. JDA has qualifying facilities under development or positioned in DSC's interconnection queue that will be impacted by the decisions this Commission makes regarding the selection of an avoided cost methodology, calculation of the avoided cost, the term of length in years that the utility must offer for power purchase agreements to qualifying facilities, and the other terms and conditions this Commission finds necessary to implement the provisions of H. 3659. JDA has a substantial and specific economic interest in the implementation of H. 3659 and in the development of renewable energy in South Carolina as JDA currently develops renewable energy projects in South Carolina. JDA's interest in this proceeding cannot be adequately represented or protected by any other party.
